

Marvin Mathew Ignatious

Full Stack Developer

+91 9061205300 | imarvinmathew@gmail.com |  LinkedIn |  GitHub

Profile

Full Stack Developer skilled in Python, Django, and REST APIs with experience building scalable web applications, secure backend systems, and optimized databases.

Experience

Backend Development

Jan 2026 – Present

Personal Projects & Technical Learning

- Building backend applications using Django, DRF, PostgreSQL, and Celery.
- Developing REST APIs, authentication systems, and scalable modules.
- Practicing deployment, cloud storage, and database optimization.

Python Backend Developer

Nov 2025 – Jan 2026

Finjour Private Limited

- Built scalable backend systems using Django, DRF, PostgreSQL, Celery, and Redis.
- Developed secure REST APIs with JWT authentication and Google OAuth.
- Integrated AWS S3, scheduling, notifications, and document management features.

Python Freelancer Projects

Jul 2025 – Oct 2025

- Developed Warehouse Pickup, Waste Management, and E-commerce applications.
- Worked with Django, REST APIs, MySQL, Bootstrap, Razorpay, and deployment.

Python Full Stack Developer Intern

Aug 2024 – Mar 2025

NMinusTwo Solutions

- Built Task Management, Exam Portal, Loan Management, and E-commerce systems.
- Implemented CRUD operations, REST APIs, authentication, and payment integration.

Projects

E-Commerce Website

- Built secure e-commerce platform with JWT authentication, admin dashboard, payments, and REST APIs.
- Tech Stack: Django, DRF, PostgreSQL, HTML, CSS, Bootstrap.

Loan Management System REST API

- Developed loan management API with JWT authentication, OTP verification, foreclosure, and role-based access.
- Tech Stack: Django, DRF, PostgreSQL, JWT, Nodemailer.

Skills

Backend: Python, Django, DRF, FastAPI, Celery

Databases: PostgreSQL, MySQL, MongoDB, Redis

Frontend: HTML, CSS, JavaScript, Bootstrap

Cloud/Tools: AWS S3, Docker, Git, GitHub, Postman, Figma

Authentication: JWT, Google OAuth, RBAC

Education

Bachelor of Technology

College of Engineering, Kallooppa

Kerala Technological University

2020 – 2024
